**Description**

Available long term from 1st February 2018 is this stunningly spacious duplex, penthouse style apartment. The property is available fully furnished and has the benefit of a beautiful communal pool (shared by just 17 properties), 2 allocated parking spaces, a large basement storage unit and an intercom/lift system.

The apartment has accommodation to include an entrance hallway with wardrobe space, a beautiful master suite with en suite shower room, a small storage room, a double bedroom, a guest shower room, a large lounge / dining room with patio doors that lead to a wonderful covered dining terrace, a fully fitted and equipped kitchen and a utility room. Stairs from the hallway lead to a large bright and airy mezzanine level that could be used as a third bedroom / games room/ office / lounge: doors from either side of this room lead to two private terraces. The first which is home to sunbeds and an al fresco dining area, the second being the largest of the two perfect for taking in the much needed winter sun and offering spectacular valley views.
