New construction villas in an area with all services around.

This residential has 36 villas, all of them with three bedrooms and three bathrooms, being able to choose 2 layouts, in addition to having a private pool for each home with its shower included.

Each villa has two floors; with the possibility of adding an optional solarium at an extra cost. They all have a parking area for vehicles, as well as a large garden around it with artificial grass, gravel and palm trees where you can perform outdoor activities without having to leave the house. The interior of the house has all the possible comforts.
