M2 Plot: -
M2 Terrace: -
Address: Lar Infinity La Cala de Mijas,Malaga

This is a golf development made up of 56 townhouses with cutting-edge design with 2 and 3 bedrooms. A modern project with wide open spaces and uninterrupted views of the gardens and golf course.They're in the best part of the Costa del Sol, La Cala de Mijas, just minutes from Malaga Airport and all the shopping and leisure facilities you need to enjoy the Mediterranean lifestyle.The quality of the materials and contemporary interior design together with the attention to detail in the finishes and build make this complex a place where you can enjoy a unique and easy lifestyle. When it comes to design materials, quality and fittings, this complex goes beyond other developments in the area. On the ground floor, large slim frame glass walls that stretch from floor to ceiling open to join the kitchen and living area with the outside terrace. Aluminium windows come with security glass and thermal break to improve insulation. The lacquered wooden doors reach full height. Top quality large porcelain tiles cover all floors, non-slip in the bathrooms and kitchen, also with wall tiles by leading international brands. Kitchens come with large capacity units, top brand appliances and quartz countertops. The bathrooms have glass walk-in showers and vanities with quartz countertops. Homes also have hot and cold air-conditioning throughout, fitted wardrobe units... Read more This is a golf development made up of 56 townhouses with cutting-edge design with 2 and 3 bedrooms. A modern project with wide open spaces and uninterrupted views of the gardens and golf course. They're in the best part of the Costa del Sol, La Cala de Mijas, just minutes from Malaga Airport and all the shopping and leisure facilities you need to enjoy the Mediterranean lifestyle. The quality of the materials and contemporary interior design together with the attention to detail in the finishes and build make this complex a place where you can enjoy a unique and easy lifestyle. When it comes to design materials, quality and fittings, this complex goes beyond other developments in the area. On the ground floor, large slim frame glass walls that stretch from floor to ceiling open to join the kitchen and living area with the outside terrace. Aluminium windows come with security glass and thermal break to improve insulation. The lacquered wooden doors reach full height. Top quality large porcelain tiles cover all floors, non-slip in the bathrooms and kitchen, also with wall tiles by leading international brands. Kitchens come with large capacity units, top brand appliances and quartz countertops. The bathrooms have

glass walk-in showers and vanities with quartz countertops. Homes also have hot and cold air-conditioning throughout, fitted wardrobe units, all lined and full installation of home automation and connections for telephone, internet and television. The residential complex has been moulded to its sloping terrain to make the most of the different heights and its south and south-west orientation so that all the homes enjoy views of the stunning gardens or the golf course next door. The communal areas and passageways, all with signature landscape design, have been carefully laid out to achieve maximum independence for the homes. An adult-only pool plus a children's pool lie at the centre surrounded by an artificial pebbled beach and large lawn, both perfect for sunbathing. The complex is completely enclosed and secure with security at the entrances. All homes have a private parking space. Property Features * views of the golf course * Adult and children pool * private parking space * high quality materials * top brand appliances in the kitchen * air conditioning
